**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Rural areas like I live in rely on the copper cables that connect us with the world. None of the major wireless companies have ANY plans for providing coverage in my area. Allowing the telecommunications companies to disband wired service would push us back to the 50's.

Please reconsider this jackass idea.
